- The League runs from September – April term time
- Summer Tournaments and other activities which are optional from April – July
- Football club discount for our Holiday camps
- Watching your little one score their first goal for BBFC 'Priceless'

BB SOCCER FC U8's

Each child will be put into a squad of 6 or 7 players and each squad will consist of players we feel are at the same footballing ability. Each squad will be assigned a "Manager" who will be a parent chosen by myself who I feel can best represent my Football Club and everything I am trying to achieve within Youth Football.

Each squad will train with myself and my team of coaches on a Monday evening and play a competitive fixture against another team of similar ability on a Saturday morning with our home ground being Oasis Academy Coulsdon.

The League and match rules

Children will play in the Epsom and Ewell league at the Under 8's level. I have chosen this league based on the fact that the teams that currently play in there are the best local option to Coulsdon and surrounding areas meaning away games will not be too far to travel.

K.O times will be between 9.00 and 12.00 every Saturday and matches will be played during term times only. Each game will be 5v5 with roll on roll off subs which means there are unlimited amounts of times you can sub a child on and off the pitch to ensure as much playing time as possible per child. Each match will have 2 halves of 20 minutes so one match will last 40 minutes in total.

FA rules state that the results of the matches cannot be published until Under 11's level but the league will take note of each result and match the fixture of your team against a team which has been getting similar results in a "ladder" format. I feel that all the teams we enter will be very strong given the past 2/3 years of training each player has received and I cannot wait to see them in action!

Training

Training will take place at Oasis Academy Coulsdon during the warmer months and during the colder months at Warlingham Secondary School under floodlight on their state of the art 3G playing surface (artificial grass) on a Thursday during term time only. It will last 1 hour, from 5.30pm – 6.30pm.

The training will consist of ball skills, passing, shooting, as well as movement and positional improvements based on the fixture from the Saturday. The weeknight training will be real step up in tempo and quality from the more fun based sessions of which the children are used to, meaning the children's improvement over the course of the year will rocket!

Please note that to play in the match on the Saturday it will be compulsory for each child to attend the training session. Certain situations will be taken into consideration.

Training will cost £6 per week and we charge for the term up front.

Summer Tournaments

Advantages of being a part of BB Soccer FC and being involved in the Surrey FA and the Epsom and Ewell league are the summer tournament's hosted by other clubs. In the future I hope to host a few myself. These are great family days with BBQ's, bouncy castles and lots of other activities to keep children entertained, not to mention the exciting and high standard of children's football on display.

Holiday and Half Term Camp Discount

As a show of gratitude for your loyalty in signing up to our Football club you will also be rewarded with a discounted rate for our camps we run during the holidays and half terms. For a full day from 9.00 – 3.00 you will only have to pay £15 a day instead of the usual £25 a day. I'm sure this will come in handy over the summer months when child care is vitally needed!

Managers

We will run like any other Football Club on match days and require volunteers to help us on match day's. We assign a parent as manager for each team. They will be responsible for ensuring each player has fair game time and a rotation of positions is installed.

The feedback I have had from the current managers is that they have loved it and get a real sense of achievement and are generally excited to get up on a Saturday morning and see their boys grow together and learn together as a team.

Win, Lose or draw its great experience and a real chance to bond with your child and their friends. A benefit of being a manager at the club is we do not charge you for the club fee's of £85 for each season. If you would be interested in becoming a manager for one of our teams please tick the relevant box which is listed in the forms sections.

Club Fee's

The club fees will cover the costs of running BB FC's expenses such as hiring the match day pitches, match day equipment, goals, medical kit, match balls and league subscription. Every football club operates this way and I have tried to keep the costs to a minimum.

£85 Club fees (Match pitch hire, match equipment bag, 7 a side goals, team subscription/ player registration)

£42 Football Kit (Zaror Shirt, Zaror Shorts, Zaror Socks and Zaror Jacket)

TOTAL = £127 per child

The Club and kit fees will be expected to be paid up front, with a deadline of July 1st. The club fee's will be paid into a non-profit clubs and society's account which will be supervised by myself and a parent so we can ensure we have transparency with how the money is being spent, which I believe is important when dealing with a club which is growing in size every year.

The details for this account are listed below you can pay by cheque or bank transfer.

AC Name: BB Soccer Football Club

AC No: 44951268

Sort: 30-91-72

Bank: Lloyds

(Please ensure you put your child's name in as a reference)

So if you would like to join our highly successful club in September please fill out the form's attached with club fee's/kit fee's (£127) and hand it back to myself in a named envelope.

Alternatively you can email me back the form and kit information with confirmation you have read and agree with BB Soccer FC's codes of conduct and transfer the £127 club/kit fee's.

BB SOCCER FC SIGN UP INFO
